

PACKED & READY

★ Staying safe during floods ≈

Floods can happen fast, especially after a big storm. That's why it's important to have an emergency kit packed and ready. Work with your family to prepare an emergency kit to keep at your home or in the car to ensure the whole family is safe, pets included.

★ Fun Fact:

Experts recommend having enough water in your kit to last at least 3 days. That's about 1 gallon per person per day!

Pack your flood emergency kit by drawing in these key items:

- Extra Clothes
- Food
- Flashlight and Batteries
- First-Aid Kit
- Radio
- Phone Charger
- Water

Prepare Your Pets

If you have a furry, feathery or scaly family member, include the following in your kit!

- ✓ Food and water for your pet
- ✓ Travel bag or crate
- ✓ Harness and leash
- ✓ Grooming and sanitation items
